The top dice game Yatzy Ultimate goes free with FreeAppADay for 24 hours

One and only chance to get the top rated dice game on iOS, Yatzy Ultimate, for free in cooperation with FreeAppADay, only today. Yatzy Ultimate, the top dice game with over 3.5 million unique users, gives you hours of fun playing your favorite childhood game on your device. The paid version of the game will be available for free download only today and you have the chance to enjoy full benefits of the game.

Yatzy Ultimate features three game modes Yatzy, Maxi Yatzy and American Yatzy and lets you travel through the 5 levels, taking risks and boosting your competitive spirit. The ride starts at Noob Alley and as you pass by Star Street and Apprentice Road, the stakes are getting higher, so is your thrill of winning. The ultimate goal is to become Yatzy Hot Shot and take extremely high stakes on Hot Highway.

You can choose to challenge yourself and place your bets against the house in Bet mode, or take part in the most exciting online competitions and play against the top Yatzy players from all over the world. With little luck and well prepared strategy, you can become master in Yatzy and win Game.io chips.

Yatzy Ultimate is available for [download on iTunes](#) and to keep track of more exciting deals like this, get [FreeAppADay.com App](#).

About Game.io: [Game.io](#) is exclusive social casino multiplayer platform with Casino, Board and Dice reinvented games and provides the players with the best of classic and modern games in a new and exciting way. More at [contact@game.io](#).
